NOTATION

- A.** Teachers possessing Ph.D. degrees shall receive an additional two thousand dollars (\$2,000.00) above the scheduled step.
- B.** Longevity: Beginning with the second year on maximum salary each member of the Unit shall receive a longevity bonus of two thousand dollars (\$2,000.00).
- C.** In addition to the salary amounts specified above, any teacher who will have completed the requirements for a full normal retirement under the State Teachers Retirement System within the following three (3) years shall have \$3,000 added to their annual salary in each succeeding full year of employment (not to exceed three years) by delivering, not later than June 30 of the first, second or third school year immediately preceding completion of such requirements, a written, irrevocable notice of intent to retire from public school teaching in Connecticut promptly upon completion of said requirements.
