14		86,242	92,118	97,993
15		89,393	95,399	101,403
16		92,657	98,794	104,929
17		101,636	108,364	115,094

Individuals qualifying for movement from the BA track shall advance one step in the year following such qualification, and individuals qualifying for movement over two columns in one year will be advanced one column in the first year of qualification and will be given full recognition in the following year.

Except when negotiated otherwise, all increments will be granted automatically unless an unsatisfactory evaluation has been earned.

For the 2015-2016 school year, there shall be no step movement. Staff will remain at their step as of January 1, 2015.
