Teachers who are not at maximum and are eligible for step advancement shall move up one step on the schedule from their 2014-15 step on March 1, 2016.

TWELVE (12)-MONTH TEACHER:

The salary for a twelve (12)-month teacher shall be calculated using the following multiplier:

Base salary on the Teachers' Salary Schedule divided by the number of work days for members of the Teachers' bargaining unit (one hundred eighty-five (185) days) multiplied by the work year of a twelve (12) month teacher (two hundred twenty-four (224) days) as set forth in Article V.A.2.
