THIS AGREEMENT is made and entered into for the period commencing July 1, 2014 through June 30, 2018 between the Bloomfield Board of Education (hereinafter called the "Board") and the Bloomfield Education Association (hereinafter called the "Association").

ARTICLE I
TERM AND SCOPE OF CONTRACT

- A. This Agreement is negotiated under Section 10-153 a-n of the Connecticut General Statutes, in order to fix for its term the salaries, hours and other conditions of employment provided herein.
- B. The Association shall be the exclusive bargaining agent and representative for all certified personnel in the "teachers' unit" as defined in Section 10-153 of the Connecticut General Statutes (the Teacher Negotiation Act) with respect to salaries, hours and other conditions of employment and the negotiation of collective bargaining agreements.
- C. Unless expressly limited by a specific section of this Agreement, the rights, powers and authority held by the Board under any Town Charter, general or special act of legislature, over matters involving the Bloomfield School System, including but not limited to full control over the policies, practices, procedures and regulations with respect to employees of the Board at all its schools, shall remain vested solely and exclusively in the Bloomfield Board of Education.
- D. Nothing in this Agreement shall in any way limit or contravene the authority of the Charter of the Town of Bloomfield.

ARTICLE II
PROFESSIONAL NEGOTIATION

Negotiation Over Successor Agreement

The Board and the Association agree to negotiate a Successor Agreement in accord with the provisions of Section 10-153 of the Connecticut General Statutes.

ARTICLE III
GRIEVANCE PROCEDURE

- A. The purpose of the following grievance procedure shall be to settle equitably at the lowest possible administrative level issues which arise from time to time with respect to the salaries and working conditions of teachers. The Board and Association agree that these proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure.

- B. A "grievance" is defined as a dispute involving the interpretation or application of a specific section of this Agreement or over the interpretation or application of a specific provision of any Board policy that relates to salaries or other conditions of employment, or over a procedural violation of the teacher evaluation plan, or over any action taken or refused by Administrative personnel which an employee believes unfair to the employee. Only grievances arising out of a claimed interpretation or application of specific provisions of this Agreement or Board policy that relates to salaries or other conditions of employment can proceed to Arbitration. Claims of unfairness of Administrative personnel and / or procedural violations of the teacher evaluation plan can proceed only to Level Two - Superintendent of Schools.
- C. Since it is important that grievances or disputes be initiated and processed as rapidly as possible, the number of days indicated at each level should be considered as maximum and every effort should be made to expedite the process. The limits specified may, however, be extended by mutual agreement. All agreements to extend the time lines must be executed in writing.

In the event a grievance is filed on or after June 1, but before the opening of school, the time limits set forth herein will be read as weekdays (Monday through Friday exclusive of holidays) rather than school days, except that either party may extend the time limit at each level by not more than three (3) weekdays.

D. Filing Procedure

1. Level One - Principal or Administrator Involved

- a. A member of the unit with a grievance or other dispute shall submit the grievance in writing within fifteen (15) school days of the occurrence giving rise to it and discuss it with the building principal or, with the administrator whose decision or action gave rise to the grievance. The grievance shall be in writing and shall specify the grievance asserted, the section of the contract alleged to be involved, or the Board policy involved, if any. However, grievances involving action taken by the Board of Education, the Superintendent of Schools, or other Central Office supervisors or administrators shall be submitted in writing directly at Level Two - Superintendent of Schools within fifteen (15) school days of the occurrence giving rise to the grievance.
- b. The building principal or administrator whose decision or action gave rise to the grievance shall represent the administration at this level of the grievance procedure. Within ten (10) school days after receipt of the written grievance, the building principal or administrator whose decision or action gave rise to the grievance shall meet with the aggrieved member of the unit and/or the President of the Association or designee.

2. Level Two - Superintendent of Schools

- a. In the event that such aggrieved member of the unit is not satisfied with the disposition of the grievance at Level one, or in the event that no decision has been rendered within ten (10) school days after presentation of the grievance, the teacher may file the written grievance with the Superintendent or designee above the level of principal within five (5) school days after the decision at Level One or fifteen (15) school days after the grievance was first presented, whichever is sooner. The grievance shall be in writing and shall specify the grievance asserted, the section of the contract alleged to be involved, or the Board policy involved, if any, and its disposition at Level One.
- b. The Superintendent or designee shall represent the administration at this level of the grievance procedure. Within ten (10) school days after receipt of the written grievance by the Superintendent or designee, the Superintendent or designee shall meet with the aggrieved member of the unit and/or the President of the Association or designee.

3. Level Three - Board of Education

In the event that the aggrieved member of the unit is not satisfied with the disposition of the grievance at Level Two, or in the event no decision has been rendered within ten (10) school days after having first met with the Superintendent or designee, the teacher may file a written grievance, indicating such dissatisfaction with the Board within five (5) school days after a decision by the Superintendent or designee or fifteen (15) school days after having first met with the Superintendent, whichever is sooner. Within ten (10) school days after receiving the written grievance, the Board or a committee of the Board shall meet with the aggrieved member of the unit and/or the President of the Association or designee for the purpose of resolving the grievance.

4. Level Four - Impartial Arbitration

- a. If the grievance is not settled at Level Three, it may be submitted, at the request of the Association only, to arbitration. The parties may select an arbitrator by mutual agreement to hear the grievance, and retain him or her privately. If the parties cannot agree on an arbitrator within ten days of the Association informing the Superintendent of the Association's intent to pursue the grievance to arbitration, the Association shall file the grievance with the American Arbitration Association. Under these circumstances, the Arbitrator shall be selected from a list submitted by the American Arbitration Association and the arbitration shall be conducted in accordance with their rules and regulations. The Association's request for arbitration shall be in writing and must be filed with the American Arbitration Association no later than ten (10) days after receipt of the written answer or within thirty (30) days of submission to the Board, whichever is sooner.

- b. The arbitrator designated shall hear and decide only one (1) grievance at a time. The award shall be final and binding as provided by law. The arbitrator shall be bound by and must comply with all the terms of this Agreement and shall have no power to add to, subtract from, or in any way modify the provisions of this Agreement. The cost of arbitration shall be borne equally by both parties.

E. Miscellaneous

1. If, in the judgment of the Association a grievance affects a group or class of members of the unit, the Association may process such grievance through all levels of the grievance procedure.
2. All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
3. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations shall be prepared and approved by the Board and the Association.

- (3) A member applying for leave for research and writing must file with the application an outline of the plan on a form to be jointly developed by the Association and the Board.
- (4) Sabbatical leave may be granted for one-half of the school year or for one entire school year. The rate of compensation for a sabbatical leave will be at a rate equivalent to three-quarters of the salary in effect immediately prior to the beginning of such leave.

Upon return to their regular teaching duties, staff members will be given credit for regular annual salary increments earned during the time of leave, but in no event shall a teacher receive more than the total salary on the salary scale when the leave pay is added to any grants and/or stipends they may receive. Applicants or people on leave shall advise the Board of any and all grants or stipends they receive.

- d. Upon return from sabbatical leave, a teacher's salary shall be the same as the teacher would have received had the period of the leave been spent in the Bloomfield School System and the teacher shall be returned to the same position which was held at the time said leave commenced, if available, or, if not, to a substantially equivalent position.
- e. Prior to the granting of a sabbatical leave, the teacher shall enter into written agreement with the Board of Education that upon the termination of such leave, the teacher will return to service in the Bloomfield School System for a period equal to twice the length of the leave and that, in default of completing such service, shall refund to the Town of Bloomfield an amount equal to such proportions of salary received while on leave as the amount of service not actually rendered as agreed bears to the whole amount of services agreed to be rendered.
- f. Persons granted sabbatical leave of absence are required to report twice each semester to the Superintendent of Schools during such absence indicating the progress to date with respect to their filed plan. If such reports are unsatisfactory, the leave may be terminated by the Board at any time at the recommendation of the Superintendent of Schools.
- g. Applications of such leave of absence for any school year shall be acted on by the Board of Education at its first regular meeting in January of the preceding year.
- h. Deviations from the above may be recommended by the Superintendent.

5. Bloomfield Education Association, President's Release Time

- a. The Bloomfield Education Association President will be permitted to use release time during the school year for the purpose of conducting Association business that cannot be performed or scheduled during non-teaching hours. The specific amount of release time granted per year shall be at the discretion of the Superintendent of Schools and denial of release time will not be subject to the grievance process. Permission for release time shall not be unreasonably withheld.
- b. All applicable absences shall be pre-approved by the Superintendent of Schools or his/her designee and reported in the normal manner to Kelly Educational Services and charged as "Alternate Assignment."

ARTICLE VIII
WORKING CONDITIONS

A. Work Day

Recognizing that the teacher's professional responsibility extends beyond the classroom, all teachers are to share equitably in the ordinary extra classroom responsibilities of the school, including clubs, special programs, intramural sports, School Governance Committees, where applicable, and special supervision. Extra compensation, whether in time or salary, may be made when the Board of Education and the Association determine that an assignment involves extraordinary, regular, daily activity of several hours duration over a significant period of time in which case the Board and the Association will determine the method and amount of extra compensation to be awarded.

Extra duties must be completely voluntary, adequately compensated, and properly defined. In the event the Board of Education is unable to fill positions by the date indicated, the Board of Education shall have the right to fill said positions through direct negotiations with any individual outside of the Bloomfield School System.

Teachers serving on School Governance Committees will meet with the Committee after school hours and will be compensated at the hourly rate set forth in Appendix A-4 of this Agreement. Each teacher who returns to school for an evening School Governance Council meeting shall be compensated for his/her mileage at the IRS rate.

Notification of appointment for the school year shall be as follows:

Fall Sports	by last day of previous school year
School Activities	by September 1
Winter Sports	by October 1
Spring Sports	by December 1

All teachers shall be entitled to an uninterrupted duty-free lunch period of thirty (30) minutes, exclusive of passing time.

In grades 9 through 12 a 1.0 Full Time Equivalent (FTE) teaching load is considered to be five instructional classes, with duty time, preparation time and lunch time.

At the High School, when a four period block schedule is in effect, no teacher will instruct more than 3 classes per day, unless a teacher volunteers to instruct more than a 1.0 FTE teaching load.

The work day for teachers at all schools shall be seven hours and twenty-five minutes. Normally, teachers are expected to be present up to one-half ($\frac{1}{2}$) hour before the official opening of classes and to remain for up to one-half ($\frac{1}{2}$) hour following the official end of classes (not to exceed forty-five (45) minutes in total), but variations in the timing of these unscheduled activities are at the discretion of the principal. Principals will communicate their building's schedule at the beginning of each school year.

Carmen Arace Intermediate and Middle Schools have agreed to the following:

1. The teachers work day is 7:40 am – 3:05 pm.
2. Per Article 8 of the collective bargaining agreement, teachers receive 45 minutes of “wrap time” (7:40-8:05 am and 2:45-3:05 pm).
3. In maintaining the parties desire to be flexible with each other, no more than 50% of teachers will be assigned a duty during “wrap time.” The scheduling of duties during wrap time will be equitably distributed among teachers. The schedule will be jointly determined by the administration of the buildings and the staff of the buildings during the professional development days prior to the school year beginning.
4. Students may not enter the building unless with a specific pass to receive extra help by an individual teacher prior to 7:50 am.

If the school day for teachers is lengthened beyond the hours in effect during the 2002-03 school year the Board shall compensate members of the bargaining unit at a rate of compensation based upon a proration of their annual salary equal to a percentage of time the school day is extended. It is hereby understood and agreed that the workday for high school teachers during exam weeks shall be the same as any other work day.

Six (6) early release days shall be set aside for parent conferences for grades Pre-K-12 as designated on the school calendar approved by the Board of Education. If conferences are held in the evenings of those days, teachers shall be compensated with appropriate time off.

B. After School Meetings

1. The principal or superintendent may hold teachers beyond the workday three (3) times per month for meetings, professional development or other professional activities. Normally, such meetings shall be limited to one hour, but may be extended beyond one hour in extenuating circumstances. These activities may occur on the first, second, and third Wednesdays. If a vacation occurs on the first, second, or third Wednesday the meeting may be rescheduled to the fourth Wednesday of that month without fourteen (14) days' notice.
2. In the event that it is impossible to schedule this extended time on a Wednesday, the one (1) hour time can be scheduled to another day, if teachers are given fourteen (14) calendar days' notice of such a change.
3. The fourth and fifth Wednesdays of each month shall be reserved for voluntary attendance at committee meetings.
4. Teachers will attend one (1) Open House during the school year, except if a teacher is assigned to more than one (1) school.
5. Attendance at meetings such as PTA/PTO affairs shall be at the option of the individual teacher, but the Board and the Association encourage active participation in such meetings as part of the teacher's professional responsibility.

C. Work Year

1. The total work year shall be 186 days, including 180 instructional days and 6 non-instructional days.
2. During the work year, all teachers shall be allowed the vacations and holidays as determined by the Board of Education, after conferring with the Association.
3. Four (4) non-student work days will be held immediately prior to the first student day of attendance and shall be scheduled Monday through Thursday of the week immediately preceding Labor Day weekend. One (1) of these days will be devoted to staff meetings and teacher preparation.
4. The last work day for teachers shall be the last day of student attendance. Teachers may leave on the last day of school after students are dismissed and all their record keeping is completed.

If the work year is lengthened beyond the hours set forth in paragraph 1 above, the Board of Education shall negotiate with the Association over the impact of such change, if any.

5. Prior to the adoption of the calendar, the Superintendent shall consult with the Association.

D. Non-Teaching Duties

1. The Board and the Association agree that a teacher's primary responsibility is to teach and that the teacher's energy should, to the extent possible, be utilized to this end.
2. Assignments such as corridor duty, playground duty, homeroom duty, cafeteria supervision, bus duty, office detention, tutorials and study hall are the responsibility of the principal and shall be equitably distributed among all teachers and shall not exceed an average of one hundred ninety (190) minutes per week, per year. The parties understand that the list of duties set forth herein is not exhaustive.
3. At the high school, assignments such as corridor duty, homeroom duty, cafeteria supervision, bus duty, office detention, tutorials and study hall are the responsibility of the principal and shall be equitably distributed among all teachers and shall not exceed an average of two hundred and twenty-five (225) minutes per week, per year. The parties understand that the list of duties set forth herein is not exhaustive. No teacher shall be assigned corridor, cafeteria supervision, or bus duty for more than one hundred seventy-five (175) of the total two hundred twenty-five (225) minutes per week. The remaining fifty (50) minutes of duty time shall be related to instructional support, such as tutorials, study halls, math or reading labs, or similar duties related to academic support.
4. Due to the age of preschool children, teachers will be flexible in the definition of "duty" minutes. At the beginning of the school year, and at other appropriate times, all preschool teachers will have bus duty before and after school.
 - Outside time will be considered instructional time for preschool teachers.
 - Quiet Time and Snack time shall be considered duty minutes and supervised by teachers. However, the parties agree to be flexible in regards to the expectations during these times. This time can be used for planning and preparation time if the children do not need the teacher's assistance.
 - Preschool Teachers shall be required to change diapers of non-potty trained students. This requirement will be disclosed to all applicants prior to the applicants accepting a position at the school.
5. Where there are exceptional demands upon a particular individual for time over and beyond that which is considered a reasonable working load, the principal shall attempt to adjust the individual's work load by eliminating such assignments as cafeteria duty, corridor duty, or other such assignments which are normally assumed as part of regular duties.
6. Special Education teachers, who have case management responsibilities as well as teaching responsibilities, will be entitled to one hundred (100) minutes of

consultation time each week. This time will be considered part of those teachers' duty minutes as defined in Article VIII D.2 Non-Teaching Duties.

E. Preparation Period

1. Definition

Preparation time shall mean that time during a teaching day that a teacher shall use for preparing lesson plans or materials, correcting papers, conferring with students, parents, or colleagues, or performing any other professional responsibility. The Board and the Association understand that the list set forth herein is not exhaustive. For Pre-K teachers, preparation time will come at the end of the instructional day after the teaching day has ended, but prior to the work day ending for teachers.

2. On a shortened school day the length of the preparation period will be determined by the length of the class period. If school is dismissed early or starts late for emergency or other reason, the Board shall be held harmless if a class period(s) is eliminated and therefore no preparation period can be given on that day.
3. All elementary classroom teachers in grades Pre-K-4 shall have 180 minutes of preparation time per week.
4. Teachers at the intermediate and middle schools in grades 5-8 shall have one hour of non-student contact time per day.
5. Teachers at the high school in grades 9-12 shall have two hundred and twenty-five (225) minutes of preparation time per week.
6. A building principal, after consultation with the Superintendent or designee, may cancel teacher preparation periods if in the principal's and Superintendent's professional opinions an emergency exists that could affect the health and safety of the students or staff.
7. In addition to prep time, K-12 teachers required to enter student-based assessment data shall receive two (2) data entry periods per month. The duration of each data entry period shall be for a minimum of sixty (60) minutes.

F. Teachers' Assignments

1. The assignment and transfer of teachers is the responsibility of the Superintendent, who will make reasonable effort to satisfy the reasonable requests and desires of teachers concerned.

In cases of involuntary transfers, the Superintendent will confer with the Association prior to proceeding with necessary transfers. When an involuntarily

transfer is necessary, the teachers' length of service and number of previous involuntary transfers shall be considered.

2. Under normal circumstances, teachers will be individually notified of their assignments and programs for the coming school year in writing before June 1.
3. Where possible, changes in grade/unit assignment in elementary schools, change in subject assignment in secondary schools, and transfers between schools will be voluntary.
4. When involuntary transfers are necessary, length of service in Bloomfield will be an important, but not exclusive factor in determining which teacher is to be transferred. Involuntary transfers will be made only after a meeting between the teacher concerned and the Superintendent or designee at which time the teacher will be notified of the reasons for the transfer.
5. The Board and the Association agree that all possible consideration will be given to length of service in Bloomfield and to teacher preferences, but that the best interests of the system must prevail in all cases.
6. All openings for teaching positions shall be posted on a separate board in the main teacher/faculty room at each school in an accessible place, on the district website, or by email. In addition, a copy of all postings will be sent to the BEA President.
7. Teaching assignments should not normally exceed 1.0 Full Time Equivalent (FTE). However, both parties recognize that from time to time, extraordinary circumstances develop whereby a teacher may be offered more than a 1.0 FTE assignment. Accordingly, in those situations the Board and the Association agree that the following procedures will be effective:
 - a. The Board shall notify the Association when the aforementioned circumstance arises.
 - b. The Board shall post the fractional position internally, for all interested teachers to apply for as set out in Article VIII of the collective bargaining agreement.
 - c. However, the parties understand that an individual's schedule might preclude him/her from being selected.
 - d. Any teacher exceeding a 1.0 FTE shall receive additional compensation in the rate of each additional class equaling .17 of the teacher's salary.

G. Promotions

1. All openings for positions covered by the Administrative Salary Schedule, positions paying a salary differential and/or special project teachers, shall be listed in a notice and posted in each school, not less than fifteen (15) days prior to the filling of the vacancy. The notice shall set forth the qualifications for the positions.

2. All teachers shall be given adequate opportunity to make application for such positions. The candidates' previous professional experience in Bloomfield will be considered.
3. When need to fill a vacancy or position arises during the summer months, notification shall be made by mail to those who have a written request for such notification on file with the Superintendent and have left a self-addressed stamped envelope.

H. Teacher Facilities

1. The Board and the Association agree that it is desirable that each school building have the following facilities on an equal basis:
 - a. An appropriately furnished room, which shall include a telephone, to be used as a faculty lounge.
 - b. Clean teacher rest rooms, well-lighted and of adequate size, will be provided with facilities for men and women.
 - c. Adequate parking space for all teachers.
 - d. Classrooms or teaching areas shall be appropriately furnished and maintained.

I. Contracts

1. Each teacher shall receive annually a statement of his/her step on the proper salary schedule and his/her annual salary.
2. Any teacher who wishes to resign his/her position must notify the Superintendent in writing at least thirty (30) days prior to its effective date, except during the month of August when sixty (60) days' notice must be given.

J. Outside Employment

Teachers will engage in no outside employment that will impair the effective and proper execution of assigned professional duties in the Bloomfield School System.

K. Separation and Recall Procedure for Reduction in Staff

1. In the event it becomes necessary to reduce the teaching staff, the following procedure shall be followed in selecting the teacher(s) to be terminated. The Association shall be notified of the need for staff reduction as soon as possible, and before any determination shall be made of the individual teacher to be dropped.
 - a. Retirement, resignations, transfer requests, non-renewal, and termination for cause among the teaching staff will first be reviewed to determine if the staff

may be reduced in sufficient number or adjusted to avoid further release of teachers.

- b. If additional teachers must be released, then nontenured teachers shall be terminated or non-renewed on a system-wide basis before any tenured teacher shall be terminated, provided that a tenured teacher is qualified to perform the duties of a nontenured teacher as set forth in (c) below. In determining who, among two (2) or more nontenured teachers in the area of reduction shall be released, seniority as well as performance and ability shall be considered.
- c. If, after the above steps, it is necessary to terminate the contracts of tenured teachers, the least senior tenured teacher within the following categories shall be terminated first:

(If a teacher's assignment overlaps two (2) or more categories, the teacher shall be placed in the category where the largest portion of his/her current assignment occurs.)

- (1) Elementary - Pre-K through Fourth grades.
 - (2) Middle - Fifth through Eighth grades.
 - (3) High - Ninth through Twelfth grades - within the department where the position is eliminated.
 - (4) Teachers in the following areas where certification is traditionally K-12 will be grouped on a system-wide basis: music, art, physical education, special education, speech and hearing, social workers, guidance, library and media, reading consultants.
- d. Tenured teachers whose contracts are to be terminated shall be entitled to "bump" nontenured teachers outside of their level of teaching assignment or department (as outlined in paragraph c, above) provided that the tenured teacher is qualified to perform the duties of the nontenured teacher. In the event that there are no nontenured teachers whom a tenured teacher is qualified to "bump", then the tenured teacher may bump outside of his/her level of teaching experience or department (as defined in paragraph c, above). In order for any tenured teacher to be qualified within the meaning of this Article to "bump" either a nontenured teacher or a less senior tenured teacher outside of his/her level of teaching experience or department, the tenured teacher must have the necessary certification and must have taught in a Connecticut public school system within the area of assignment of the teacher to be "bumped" for at least one (1) school year within the previous ten (10) years, or must possess other relevant experience and qualifications which, in the judgment of the Superintendent, qualify the teacher to "bump".

2. For the purpose of this Article, "seniority" is defined as the total number of years of continuous, unbroken contractual service in the Bloomfield school system, starting with the first day of actual teaching experience. In the event that two (2) or more teachers shall have started teaching on the same day and thus have the same seniority date, then the identity of the staff member to be terminated shall be determined by a review of performance and ability as evidenced by written official evaluations contained in the teachers' personnel files. If such review indicates that the performance and ability of the staff members with identical seniority dates is substantially equal, then the date the initial contract was signed shall control.
3. Recall Procedure
 - a. The name of any teacher whose services have been terminated because of the elimination of position or a reduction in staff shall be placed upon a reappointment list and remain on such list for two (2) years provided such teacher does not refuse an appointment and provided such teacher applies, in writing by registered or certified mail, for the retention of his/her name on said list on or before June 1st of each year subsequent to his/her termination.
 - b. Any teacher on the reappointment list shall receive a written offer of replacement at least fifteen (15) days prior to the date of re-employment. The teacher shall accept or reject the appointment within ten (10) days. If he/she accepts the appointment, he/she shall receive a written contract at least five (5) days prior to the date of re-employment, where possible.
 - c. Recall shall be based on a reversal of the staff reduction criteria set forth above.
 - d. No new teacher shall be hired in a subject area or grade level before teachers who are laid off in that subject area or grade levels have been recalled or declined the opening.
 - e. No new teacher shall be hired in a subject area or grade level before teachers who are laid off from other subject areas or grade levels who may possess the necessary certification and are qualified are recalled or decline the opening.
 - f. A teacher who has been recalled shall be placed at the top of the list of all teachers whose length of seniority is the same as that of the returning teacher. Should further staff reduction occur, a recalled teacher would then be the last to be released in his/her category of seniority.
 - g. The temporary separation of a teacher shall not affect any fringe benefits earned and/or accumulated, or benefits to be earned, and/or accumulated when re-employed, with the exception of salary schedule increments and years of service as applied to a teacher's retirement. Although there will be no compensation to a teacher during the period of recall, an employee who has been laid off pursuant to this Article may continue to participate in group insurance programs in which he/she was a member at the time of layoff

provided he/she pays the full costs for the premium of such coverage and that the provisions of the appropriate group policy permit such continuation.

- h. All separations of teachers under this Article shall take place in accord with the applicable provisions of Section 10-151 of the Connecticut General Statutes. Any hearings necessary in cases of separations of staff members under this Article shall be conducted solely in accord with the applicable provisions of the Teacher Tenure Law (Section 10-151).

L. Rights of Administrative Staff Under Section 10-151 of the General Statutes

All administrators employed by the Bloomfield Board of Education in positions covered by the Teacher Tenure Law (Section 10-151) of the Connecticut General Statutes who are removed from their administrative positions due to administrative staff reductions/position eliminations implemented by the Board, shall have all rights to be assigned positions in the bargaining unit covered by this Agreement, including, but not limited to, displacement or "bumping" rights as are provided by applicable state law.

M. Class Size

Class sizes shall be determined by such factors as the effect on the pupil, the effect on the teacher, and the classrooms and teachers available. Though a considerable range shall be allowed to accommodate these factors, as a matter of policy, twenty-five (25) shall be deemed the most desirable size for most classes with the exception of practical arts classes, laboratory courses, and remedial classes. In addition, for kindergarten classes, twenty (20) students shall be the recommended size. It shall be the policy to reorganize classes and provide instructors as follows:

<u>Type of Class</u>	<u>Maximum Size</u>	<u>Recommended Size</u>
Pre-K	20	18
Kindergarten	25	20
Grades 1-8	30	25
Secondary Academic and Phys. Ed. Classes	30	25
Secondary Indust. Educ. and Science Labs	25	20

Large group instruction for band and chorus shall be maintained in accordance with the current practice.

In the area of special education as defined in Section 10-76 of the General Statutes, the Board of Education will make every effort to maintain a class size not to exceed twelve

(12) students. The case load of special education teachers who service students in main-streamed classes shall be equitably distributed.

The Superintendent shall provide the Association with a written report of actual class sizes as of October 1 of each school year.

In the event that the final Board budget for the following fiscal year as approved by the Town Council Town Meeting, or Referendum results in an annual operating budget equal to or less than the present budget, the Board reserves the right, as a matter of public policy, to increase maximum class sizes as necessary, to meet the fiscal exigency created by such budget action until an additional budget increase is granted to permit the hiring of additional certified staff.

N. Global Experience Magnet School

The Global Experience Magnet School, (GEMS,) is a secondary school with a focus on personalized learning and developing students' passions through internships, experiences, and project work so that the students become life-long learners. GEMS offers a well-rounded, college preparatory education that will ensure readiness to compete in a fast-paced, global economy. GEMS will provide a customized education, deeply rooted in experiences, which will allow each student to reach their maximum social and academic potential. Each student will receive a Personalized Learning Plan, small-group instruction, multi-age classrooms, and the ability to participate in local, national, and international community service experiences.

1. The GEMS teachers' work hours are set forth in Article 8 of the collective bargaining Agreement (7 hours and 25 minutes, with a 30 minute duty free lunch period).
2. GEMS student day will be from 8:00 a.m. to 2:51 p.m.
3. Teachers at GEMS will have a regular prep time and a common planning time each day which will compensate for the loss of wrap time of eleven (11) minutes per day.
4. GEMS will hold 2 parent conference nights. Teachers will be released from a staff meeting to compensate for the extra parent conference night.
5. GEMS teachers will attend 3 hours of after school meetings per month generally to be held on the first, second, and third Wednesday of the month. There may be times when the hours will be contiguous. Notification of any change will be given 30 days prior.
6. All teachers will have up to 225 duty minutes per week.
7. All teachers will have forty-four (44) minutes of individual preparation time and forty-four (44) minutes of common preparation time per day.

- B. It is understood that this Agreement is subject to and shall operate within the framework of the Statutes of the State of Connecticut.
- C. Teachers shall have the opportunity to review and discuss any evaluation reports with their supervisors, and to review the contents of their personal evaluation files as maintained by building principals and supervisors.
- D. Each teacher shall be responsible for the care of all school property including records of equipment and supplies under his/her control and shall make every effort to conserve the resources of the school system.
- E. If any portion of this Agreement is ruled invalid for any reason, the remainder of the Agreement shall remain in full force and effect.
- F. Personnel Files
 - 1. No material originating after original employment shall be placed in a teacher's personnel file unless the teacher has been notified and has had an opportunity to review the material. Receipt of the material shall constitute notice that such material may be placed in the personnel file. The teacher may submit a written notation regarding any material, and the same shall be attached to the file copy of the material in question. If the teacher is asked to sign material placed in his/her file, such signature shall be understood to indicate his/her awareness of the material, but in no instance shall said signature be interpreted to mean agreement with the content of the material.
 - 2. Any substantive complaint filed with an administrator against a teacher by any parent, student, or other person shall be called to the attention of the teacher, within four (4) days of the completion of the investigation of the complaint, which shall be done expeditiously.
 - 3. In no case shall any anonymous and/or unsubstantiated complaint be placed in any teacher's file.

G. Just Cause

No teacher shall be disciplined or reprimanded in writing or suspended without pay without just cause. If a teacher is to be suspended without pay, he or she shall be entitled to a statement of the reasons in writing within 24 hours of the suspension.

H. Equipment Costs

The Bloomfield Board of Education assumes all financial responsibility for equipment – costs, materials, and liability for losses, including payment for any and all insurance premiums associated with authorized use of all school equipment including computers.

ARTICLE X **PAY AGREEMENTS**

A. Severance Payment

1. A severance payment of 1/4 of accumulated unused sick days or thirty (30) school days, whichever is greater based on the last annual salary received, will be paid upon retirement to teachers who have completed at least twenty-five (25) years of teaching service in Bloomfield, provided, however, that any teacher intending to retire must give notice to the Superintendent of Schools prior to December 1 of that school year in which he/she will retire, so that necessary budgetary provisions can be made for the following school year's budget. The parties agree that any sick leave taken by a teacher in his/her final year of service shall be deducted from the 15 day allotment for that year and deducted from the teacher's accumulated sick leave only after the 15 day allotment has been exhausted.
2. The Board shall implement and maintain a pre-tax Special Pay Retirement Plan in accordance with State and Federal Law from which the employee must use this severance benefit to pay for health insurance benefits after retirement. Such Plan shall consist of a post-retirement medical expense trust account and a 403(b) in which the severance benefits shall be distributed as determined by the Board. Each teacher may designate a Beneficiary of any monies in their medical expense account to be conveyed at the time of death.

B. Longevity Allowance

A longevity payment of \$400 will be paid annually to teachers with twenty (20) or more years of experience in the Bloomfield schools. Teachers who complete twenty (20) years of service in Bloomfield will receive their initial payment in June of the 20th year. Subsequent payments will be applied to each paycheck.

C. Incentive Pool

There shall be an incentive for all bargaining unit members in each year of this agreement, as follows: A group incentive pool and should not be confused with individual merit. Recognizing the need for the entire district to perform better, this 1% pool will be for all bargaining unit members and paid as either a lump sum or in

tax-sheltered annuity. The 1% will be divided into eight (8) categories based on the district targets for improvement. Each target will be weighted at .125%. If the district hits all targets the sum will be 1% of the individual's salary (for example: A teacher making \$55,000 would receive \$550). If the district hits a percentage of the targets the bonus will be prorated (for example, Seven targets achieved means 7/8 or .875%). This incentive pool will reset on an annual basis, based upon the targets achieved by the district in that year. In any year that bonuses are awarded, each individual bargaining unit member shall elect to receive his or her bonus as a lump sum or a payment to a tax-sheltered annuity. Payment shall be made no later than September 1 of the following school year in which the district target(s) was reached. Any teacher who leaves the District due to resignation or retirement at the end of the school year when the district target(s) was reached remains eligible to receive this payment.
(See Appendix D)

D. Course Reimbursement

Upon submission to and prior approval by the Superintendent of a planned program of study at an accredited college or university, the Board of Education will reimburse \$1,000 per course, for any and all courses taken during the year. The Board will pay for no more than a maximum of two three-credit courses annually. The total course reimbursement per school year shall not exceed \$2,000. Request for reimbursement must be submitted to the Superintendent within ninety (90) days of successfully passing the course. Reimbursement will be for the repayment of funds expensed on a course less receipt of grants or scholarships that offset, or lowered the cost of the course. Reimbursement requests received after more than ninety (90) days from completion of the course shall be denied.

E. Fringe Benefits

Part-time employees who work a fifty percent (50%) schedule shall be eligible for these benefits. Part-time employees who work less than a fifty percent (50%) schedule shall not be eligible for benefits.

It is hereby understood that Bloomfield Board of Education utilizes a self-insured funding mechanism for the insurance benefits it provides the teachers. Therefore, when speaking of annual cost of the premium of said insurance benefits, annual cost shall be the allocation rate set forth by the carrier.

1. Employees will have the choice between the following two health insurance plans:
 - i. Anthem Blue Cross/Blue Shield Century Preferred Plan.

The Board shall provide a PPO health plan to all eligible employees as described in Appendix B entitled "Bloomfield Benefit Plan Description." Effective July 1, 2014, the employee pays 18% of the annual cost for either the

individual, spouse, or family plan and the Board of Education pays 82% of annual costs.

- Prescription Drugs: Anthem Blue Cross/Blue Shield Public Sector Formulary: \$5/\$20/\$35 retail copays, 1 x's retail for a 100 day supply mail order with a \$2,000 annual maximum (includes oral contraceptives or any contraceptive device).
- Outpatient physical therapy. Occupational therapy, speech therapy and chiropractic visits in excess of 50 shall be paid in the same manner and to the same extent as an out-of-network expense.

ii. Anthem Blue Cross/Blue Shield Health Savings Account Preferred Provider Plan (PPO)

The Board shall provide a Health Savings Account Preferred Provider (PPO) health plan to all eligible employees as described in Appendix C entitled “ANTHEM BLUE CROSS BLUE SHIELD HEALTH SAVINGS ACCOUNT PREFERRED PROVIDER PLAN (PPO).” Effective July 1, 2012, the employee pays 10% of the annual cost for either the individual or employee plus one / family plan and the Board of Education pays 90% of annual costs. The Board of Education will contribute 50% of the annual Health Savings Account deductible deposit based on an annual total deposit of \$2,000 for an employee plan and \$4,000 for an employee plus one or family plan. Re: Incentive Language Article X Part C

I was asked to clarify Article X, Part C of the Agreement between the Bloomfield Board of Education and the Bloomfield Teachers Association July 1, 2014-June 30, 2018 specifically there were two points in question.

1. The incentive will be based on the teacher's base salary, which is the salary that appears in the salary schedule.
2. The incentive will be based on the previous school year's targets.

I hope this clarifies these questions and recommend this memo be added to the Agreement, in the Appendix Section, for the purpose of clarification.
