## INTRODUCTION

This agreement is between the THOMASTON BOARD OF EDUCATION (Hereinafter referred to as the "Board") and the THOMASTON EDUCATION ASSOCIATION (Hereinafter referred to as the "T.E.A.") affiliated with the Connecticut Education Association and the National Education Association.

### ARTICLE 1 GENERAL

- 1.1 This agreement is negotiated under the General Statutes of the State of Connecticut, as amended in order to fix for its term the salaries and other conditions of employment.
- 1.2 Mutually consented change to this Agreement shall be in writing and in accordance with the consultation procedure provided herein.
- 1.3 This Agreement shall be binding upon the Board, and its successors, assignees, transferees, or appointees and the T.E.A.
- 1.4 The T.E.A. shall have printed and shall present to the Board a single copy of the completed text of this agreement or and successor agreement.

### ARTICLE 2 RECOGNITION

- 2.1 The Board recognizes the T.E.A. as the exclusive bargaining representative for all certified professional employees of the Board who are employed in positions requiring a teaching or other certificate or those holding a durational shortage area permit and who are not included in the administrators unit or excluded from the purview of the General Statutes of the State of Connecticut inclusive.
- 2.2 All teachers in any capacity shall be free from discrimination, coercion or intimidation by either party hereto in all matters pertaining to T.E.A. activities. There shall be no reprisals of any kind directly or indirectly taken against any teacher by reason of his membership or non-membership in the T.E.A. or participation in its activities.

### ARTICLE 3 CONSULTATION AND AMENDMENT PROCEDURE

- 3.1 Informal meetings may be held between the negotiation teams of each organization if requested by either.
- 3.2 This agreement shall not be altered, amended, or changed except in writing signed by

both the Board and the T.E.A., which amendment shall be appended hereto and become a part hereof. In all matters outside this agreement calling for the exercise of judgement or discretion on the part of the Board, the decision of the Board shall be final and binding.

#### **ARTICLE 4** **CONTRACTS**

- 4.1 Upon initial employment, a teacher will be given a contract stating that the teacher will be employed as a certified professional employee of the Board with salary and working conditions as determined by collective negotiations agreement. Said contract shall not be terminated unless for just cause or determination by statute.
- 4.2 A statement of each Special Extra Assignment which shall be made available to the president of the T.E.A. on or before October 31<sup>st</sup>.
- 4.3 Under the "Teachers Initial Contract" and "Teacher's Long Term Contract", a teacher may resign for good reason by submitting thirty (30) calendar days written notice.

#### **ARTICLE 5** **PROGRAM COORDINATORS**

- 5.1 Every effort will be made to assign Program Coordinators and Team Leaders if any, no more than twenty-five teaching periods a week except for high school science program coordinator, who will not exceed twenty-eight sections including science laboratory sections. They shall have one period a day or five periods a week to discharge the responsibilities of their position, in addition to preparation periods.
- 5.2 Compensation shall be paid per Appendix K.
- 5.3 Program coordinators, and/or team leaders shall be allotted adequate storage space for materials under lock and key.
- 5.4 High School program coordinators shall have no supervisory or miscellaneous duties in grades K-6.
- 5.5 Each team leader, program coordinator and head teacher shall be provided with a job description each school year.

#### **ARTICLE 6** **PROTECTION OF TEACHERS**

- 6.1 If criminal, civil or administrative proceedings are brought against a teacher alleging that he/she committed an assault in connection with his/her employment, the Board shall reimburse the teacher for attorney's fees as provided by a competent legal

counsel, acceptable to both parties, if it is determined the teacher was acting as an agent of the Board, and performing under the rules and regulations of said Board.

- 6.2 Teachers shall not be held responsible for students' belongings and monies lost or stolen.

## ARTICLE 7 GRIEVANCE OF TEACHERS

### 7.1 Purpose

- 7.1.1 The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to problems which may arise in areas covered by this Agreement affecting teachers. Both parties agree that proceedings shall be kept as confidential as is appropriate.

### 7.2 Definitions

- 7.2.1 Grievance shall mean a claim by a teacher or a group of teachers that there has been a violation, a misinterpretation or a misapplication of the provisions of this Agreement. A grievance filed on behalf of more than one teacher will be filed as a T.E.A. grievance. Individual teachers will be identified at the discretion of the Association. If in the judgement of the T.E.A. a grievance affects a group or class of teachers the T.E.A. may submit such grievance in writing to the Superintendent directly and the processing of such grievance shall be commenced at Level Two.
- 7.2.2 Parties in interest shall include the person or persons making the claim including their designated representative as provided for herein, and any person or persons who might be required to take action or against whom action might be taken in order to resolve the problem.
- 7.2.3 Days shall mean days when school is in session. In the summer, days shall mean legal business days.

### 7.3. Time Limits

- 7.3.1 Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each step shall be considered as a maximum. In the event a grievance is filed on or after June 1, the time limits set forth herein should be reduced so that the grievance procedure may be exhausted prior to the end of the school term or as soon thereafter as is practicable. The time limits specified may, however, be extended by written agreement of the parties in interest.
- 7.3.2 If a teacher does not file a grievance in writing, at the appropriate level: i.e., that level at which the action has arisen which caused the grievance to be initiated, within

twenty days after he/she knew, or should have known, of the act or conditions on which the grievance is based, then the grievance shall be considered waived.

7.3.3 Failure at any level to appeal a grievance to the next level within the specified time limits shall be deemed to be acceptance of the decision rendered at that level.

7.4 **Informal Procedures**

7.4.1 If a teacher feels that he/she may have a grievance, he/she may first discuss the matter at a mutually agreed time and place with his/her principal or other appropriate administrator in an effort to resolve the problem informally.

7.4.2 If the teacher is not satisfied with such disposition of the matter, he/she shall have the right to have the T.E.A. assist him/her in further efforts to resolve the problem informally with the principal or other appropriate administrator.

7.5 **Formal Procedures**

7.5.1 **Level One - School Principal**

If an aggrieved teacher is not satisfied with the outcome of informal procedures, or if he/she has elected not to utilize such procedures, he/she may present his/her claim as a written grievance to his/her principal or other appropriate administrator.

7.5.1.2 The principal shall, within five (5) days after receipt of the written grievance, render his/her decision and the reasons therefore in writing to the aggrieved teacher, with a copy to the T.E.A. President.

7.5.2 **Level Two - Superintendent of Schools**

7.5.2.1 If the aggrieved teacher is not satisfied with the disposition of her/his grievance at Level One, he/she may, within six (6) days after the decision, or within nine (9) days after his/her formal presentation, file his/her written grievance with the Superintendent of Schools.

7.5.2.2 The Superintendent shall, within five (5) days after receipt of the grievance, meet with the aggrieved teacher and with representatives of the T.E.A. for the purpose of resolving the grievance. Grievance records of such hearing shall be kept by the Superintendent and made available to the parties in interest upon written request.

7.5.2.3 The Superintendent shall, within (3) days after the hearing, render his/her decision and the reasons therefore in writing to the aggrieved teacher, with a copy to the T.E.A. President.

7.5.3 **Level Three - Board of Education**

7.5.3.1 If the aggrieved teacher is not satisfied with the disposition of his/her grievance at Level Two, he/she may, within six (6) days after the written decision, or within nine (9) days after the hearing, file the grievance with the Board of Education.

7.5.3.2 The Board shall, within (10) days after receipt of the appeal, meet with the aggrieved teacher and with representatives of the T.E.A. for the purpose of resolving the grievance. Grievance records of such hearing shall be kept by the Superintendent and made available to the parties in interest upon written request.

7.5.3.3 The Board shall, within three (3) days after such meeting, render its decision and the reasons therefore in writing to the aggrieved teacher, with a copy to the T.E.A. President.

7.5.4 **Level Four - Arbitration**

7.5.4.1 If the aggrieved teacher is not satisfied with the disposition of his/her grievance at Level Three, he/she may, within six (6) days after the decision, or within nine (9) days after the Board meeting, submit the grievance to arbitration by so notifying the Board and the American Arbitration Association.

An arbitrator shall be chosen pursuant to the Voluntary Labor Rules of the American Arbitration Association.

7.5.4.3 The arbitrator shall render his/her decision in writing to all parties in interest, setting forth his findings of fact, reasoning, and conclusions on the issues submitted, within thirty (30) days.

7.5.4.4 The costs for the services of the arbitrator shall be borne equally by the Board and the T.E.A.

7.5.4.5 Teachers attending proceedings before an arbitrator, when held during school hours at the request of the Board, shall be given personal leave for time so spent and not charged for personal leave.

7.5.4.6 Teachers attending proceedings before an arbitrator, when held during school hours at the request of the Board, shall be given personal leave for time so spent and not charged for personal leave.

7.6 **Rights of Teachers to Representation**

7.6.1 No reprisals of any kind shall be taken by either party or by any member of the administration against any participant in the grievance procedure by reason of such participation.

- 7.6.2 Any party in interest may be represented at Level Two and Three of the formal grievance procedure by a person of his/her own choosing, except that he/she may not be represented by a representative or by an officer of any teacher organization other than the T.E.A. When a teacher is not represented by the T.E.A., the T.E.A. shall have the right to be present and to state its views at all stages of the procedure.
- 7.6.3 The T.E.A. may, if it so desires call upon the professional services of the Connecticut Education Association for consultation and assistance at any stage of the procedure.
- 7.7 **Miscellaneous**
- 7.7.1 All documents, communications, and records dealing with the processing of a grievance shall be filed in a separate folder from the personnel files of the participants.
- 7.7.2 Forms for filing and processing grievances, and other necessary documents, shall be provided by the Superintendent, with the approval of the T.E.A. and made available through the T.E.A. so as to facilitate operation of the grievance procedure. See Appendix GF1-6.
- 7.7.3 Failure to communicate the decision at any step within the specified time limits shall be considered a denial of the grievance.
- 7.8 Title IX Grievance procedure added to the contract for informational purposes only.

## **ARTICLE 8**

### **EVALUATION REPORTS AND ADMINISTRATIVE SUPERVISION OF TEACHERS**

- 8.1 A representative of the T.E.A. may, at the request of the teacher, accompany the teacher in this review of supervisory records and reports of competence, personal character and efficiency maintained in his/her personnel file with reference to evaluation of his/her performance in such school district.
- 8.2 Any complaints by a parent of a student, or any persons directed toward a teacher and deemed serious enough to become matter of formal record shall be promptly called to the attention of the teacher. Teachers are entitled to know the identity or source of all such complaints. A request from a parent or guardian that a student not be placed in a teacher's classroom will not be considered a complaint. Multiple requests, however, may be used as part of the evaluation and/or discipline process and will be viewed as a complaint, if used for such purposes.
- 8.2.1 No material derogatory to a teacher's conduct, service, character, or personality shall be placed in a teachers personnel file, unless the teacher has had an opportunity to read the material and affix his/her signature on the actual copy to be filed, with the

understanding that the signature merely signifies he/she has read the material to be filed and does not necessarily indicate agreement with its content.

**ARTICLE 9**  
**MATERIALS AND INFORMATION**

- 9.1 The Board shall consider the recommendation of the textbook selection committee.
- 9.2 Teachers shall be provided in writing at the beginning of the school year with the names of pupils suffering from physical and emotional problems. Teachers shall receive a health report within five (5) days after enrollment during the school year on all students suffering from physical or emotional problems.

**ARTICLE 10**  
**CURRICULUM REVISION**

- 10.1 Curriculum development and the updating of curriculum guides are among the basic responsibilities of the teaching staff, and shall be performed by the teaching staff in conjunction with and at the direction of the school administration. It is expressly understood, however that the final determination on curriculum revision or adoption lies solely with the Thomaston Board of Education.
- 10.2 Substitutes shall be used to enable teachers working on curriculum revision to draft, in writing, curriculum or attend meetings regarding curriculum revision, if revisions take place during the school day.
- 10.3 Teachers working on curriculum revision during the summer shall be compensated at a rate calculated by the BA minimum divided by the teacher work day of seven (7) hours.

**ARTICLE 11**  
**EMPLOYMENT YEAR**

- 11.1 The teacher year will be one hundred eighty four (184) days. Should the teacher employment year exceed these limits in each of the school years, the teacher shall be compensated at the per diem rate of their annual salary for each additional day worked.

**ARTICLE 12**  
**PAY SCHEDULE**

- 12.1 Each teacher shall be paid on every other Friday (Biweekly, beginning the Friday after the opening of school).
  - 12.1.1 His/her annual salary to be divided into twenty-six (26) equal payments, each of the

first twenty-two (22) payments to be made on the aforementioned bi-weekly basis. The 22<sup>nd</sup> payment to be made on the last day of school, and the remaining four (4) payments are to be made by the last Friday in June, or opt to receive twenty-six (26) equal payments bi-weekly throughout the calendar year. Checks through the summer shall be sent to any designated address. He/she may also opt to receive his/her total annual salary divided into 22 equal payments contingent upon notice by June 1.

- 12.2 In the event a pay day shall fall on a school holiday, teachers shall be paid on the day prior to the holiday.
- 12.3 The Board will provide direct deposit for each teacher.

**ARTICLE 13**  
**SCHOOL DAY**

- 13.1 The teacher work day shall be seven (7) hours at the elementary schools and six hours and fifty-five minutes (6:55) at the high school.
- 13.2 Should the length of the teachers' work day be increased, the parties will negotiate the amount of additional compensation.

**ARTICLE 14**  
**TEACHING ASSIGNMENT**

- 14.1 Teachers initially employed by the Board shall receive their building grade and/or subject assignments from the Superintendent's office.
- 14.2 Teachers already in the system shall receive notification in writing of their assignments and programs for the ensuing school year no later than June 1<sup>st</sup> of the current school year. If changes to the initial assignment, program or schedule occur after the teachers' initial assignment, program or schedule has been provided, teachers affected shall be notified in writing by August 1<sup>st</sup>, whenever feasible.
- 14.3 Teachers shall be notified in writing of any changes in their programs and schedules for the ensuing school year.
- 14.4 In the determination of assignments the convenience and wishes of the teacher shall be considered.
- 14.5 In arranging schedules for teachers who are assigned to more than one school, every effort shall be made to limit the amount of inter-school travel. Such teachers shall be notified in writing of any changes in their schedules by four (4) weeks prior to the close of the current school year.
- 14.6 Teachers shall not be responsible for bus supervision to sporting events.

- 14.7 The parties understand the needs of parents and teachers to be able to confer with one another about students. In order to facilitate fulfillment of these mutual needs and obligations, each teacher should be available for conferences with parents or guardians during school conference days, school conference evenings, and at mutually agreeable times. In addition to school conference days, there will be three (3) evening conferences during each academic year. Such evening conferences shall include conferences, open houses or parent night called by the Administration. The dates of the conferences shall be established by the Thomaston Board of Education. The parties agree that the language set forth in Article 19, Section 19.1 shall not apply to conferences with parents or guardians.
- 14.7.1 On conference days teachers shall be allowed to leave the building when not scheduled for conferences.
- 14.7.2 Teachers shall be provided with parent teacher conference schedules two (2) days before the scheduled conference.
- On conference days teachers shall have a lunch of not less than sixty minutes. Such sixty minutes shall not be contiguous. Rather, thirty minutes shall be during the normal lunch hours and thirty minutes shall be post-dismissal.
- 14.8 Residence shall not be claimed as the reason for not participating in school activities in the town or school district.
- 14.9 Teachers new to the system will be required to attend orientation sessions without additional remuneration.
- 14.10 The number of rooms to which a teacher is assigned shall be kept at a reasonable minimum.

**ARTICLE 15**  
**CLASS SIZE**

- 15.1 The Board and the T.E.A. recognize that class size is an important factor in good education and will, whenever possible, subject to space availability and all other educational considerations, insure that class size is limited to that which is most effective for both teachers and pupils. Prior to making a decision to increase current class size, the T.E.A. shall be granted an opportunity to provide input for the consideration of the Board. However, the final decision as to class size will be made by the Board in the best interest of all students.
- 15.2 Delegates of the T.E.A. will request and meet with the Superintendent relative to class size.

**ARTICLE 16**  
**TEACHING PERIODS**

- 16.1 Academic subject area middle and high school teachers shall not be assigned more than five (5) teaching periods per day, wherever feasible.
- 16.2 Teachers teaching under a secondary school certificate, wherever possible shall not be required to teach more than two subjects or to have more than three teaching preparations within said subjects or combination of subjects at any one time.
- Teachers teaching under an elementary certificate in grades 5-8 wherever possible, shall teach language arts and mathematics and/or social studies and science, with no more than three preparations.
- 16.3 All elementary classroom teachers shall have, in addition to their lunch period, five preparation periods per week. These shall be scheduled for that time when the specialist teacher is scheduled for the class. All elementary specialist teachers shall have, in addition to their lunch period, at least three to five preparation periods per week. The number of preparation periods for elementary specialist teachers shall be determined by the administration. The classroom teacher shall be asked to substitute for the specialist only on the unanticipated first days' absence of the specialist. If these specialists are eliminated, these preparation periods will remain intact.
- 16.4 Preparation periods are for the purpose of preparing assignments and other school related activities. Teachers may leave the building, provided the teacher notifies the school office beforehand. At such time, while off school property and any other time the teacher leaves the building for personal matters, he/she will not be considered to be acting within the scope of his/her employment unless performing school related business and will not be considered on work time.

**ARTICLE 17**  
**TEACHER TRANSFERS**

17.3 **Involuntary Transfers**

17.3.1 There shall be no involuntary transfer of a teacher before a meeting has been held between the teacher and the Superintendent or his designee to discuss the reason(s) for transfer.

17.3.2 An involuntary transfer shall be made only after a meeting, between the teachers involved and the Superintendent, at which time the teacher shall be notified of the reason(s) for the transfer.

17.4 **Voluntary Transfers**

17.4.1 Prior to posting a position due to a vacancy, the principal may reassign teachers within his building. In the event that the principal decides not to reassign a teacher to fill the vacancy, he shall post such position for not less than ten (10) days. The posting shall be posted in each building available to all teachers and will be posted on the Thomaston Public Schools website.

17.4.2 Teachers who desire to voluntarily transfer to another building shall file a written statement of such desire with the Superintendent, not later than one (1) week after the teacher has received notice of a vacancy. Such statement shall include the grade and/or subject to which the teacher desires to be assigned or the school or schools (in order of preference, if the teacher has preferences) to which he/she desire to be transferred.

Any teacher interested in a change, when no position is posted, should submit this information to the Superintendent of Schools. This information will be kept on file for one (1) year.

17.4.3 Where two (2) or more applicants for a position are substantially equal in experience qualifications, the applicant with the greatest amount of seniority in the Thomaston Public Schools shall be given preference.

17.4.4 No new hiring shall occur until all transfer requests have been honored or denied. Any vacancies that occur in the summer will be forwarded to the T.E.A. President and posted in each school.

17.5 Notice of transfer shall be given to the teacher as soon as practicable and under normal circumstances not later than June 1<sup>st</sup>.

17.6 Vacancies of position which are caused by death, retirement, discharge, resignation, or by the creation of a new position shall be filled pursuant to the following procedures:

17.6.1 The existence of vacancies of position shall be adequately publicized by a notice in

every school and via the Thomaston Public Schools website as far in advance of the date of filing such vacancy as possible. At all times, consideration will be given to present qualified staff members who have evinced an interest in the vacated position.

- 17.6.2 Said notice of vacancy of position shall clearly set forth the qualifications for the position.
- 17.6.3 Teachers who desire to apply for such vacancies of position shall file their applications in writing with the Superintendent.
- 17.6.4 Such vacant positions shall be filled on the basis of qualification for the vacant position, provided, however, that where two or more applicants are equal in qualification, the applicant with the greatest amount of seniority in the system shall be given the preference.
- 17.7 During July and August the Superintendent shall notify the T.E.A. President in writing of any vacancy within five (5) days of such vacancy and not less than ten (10) days prior to filling said positions.

**ARTICLE 18**  
**AFTER SCHOOL MEETINGS**

- 18.1 If a teacher is scheduled, assigned, or otherwise required to attend meetings, outside of the work day, in excess of two (2) hours per week, the Board shall compensate the teacher at his or her per diem pro rate.

- 19.3 High school guidance personnel will work at least eight (8) and up to ten (10) days beyond the work year of one hundred eighty four (184) days. Normally, three (3) days will be assigned consecutively immediately prior to the commencement of the student school year and five (5) days will assigned consecutively at the conclusion of the student school year. Additional days, if any, will be determined by the administration, upon consultation with the Association, and will be compensated at their per diem rate.

**ARTICLE 20**  
**DUTY FREE LUNCH**

- 20.1 If the duty free lunch period is shortened for any bargaining unit members, from the length of the duty free lunch period in school year 1984-85 the Board shall compensate the teacher at his/her per diem rate divided by seven hours, equals per hour rate of pay.
- 20.2 All teachers shall be permitted to leave the school for the duration of their lunch period. Those teachers wishing to leave the building shall notify the school office beforehand. At such time and any other time the teacher leaves the building for personal matters, he/she, while off school property, will not be considered to be acting within the scope of his/her employment unless performing school related business and will not be considered on work time.
- 20.3 No teacher shall be required to perform cafeteria duty.

**ARTICLE 21**  
**TEACHER FACILITIES**

- 22.2 Computers, printers and copiers shall be made available for the use of teachers in school preparing instructional materials and for school or T.E.A. business.

- 22.3 At reasonable times, the T.E.A. shall have the right to use designated areas in school buildings for meetings of teachers, provided that there is no interference with any scheduled school activities. The use of such designated area shall be arranged with the principal in advance. All requests for building use shall conform to Board rules and regulations, provided, however, that there shall be no cost to the T.E.A. for such meetings so long as no additional custodial cost to the Board is involved.
- 22.4 The T.E.A. may distribute to teachers within the schools materials dealing with proper and legitimate business of the T.E.A. except during class time.
- 22.5 Officers and building representatives of the T.E.A. may request of the Superintendent that they may be granted professional leave to attend meetings and workshops held by the Connecticut Education Association and/or by the National Education Association. **SEPARATION AND RECALL**

27.1 **Reasons for Elimination of Professional Staff Positions**

- 27.1.1 It is recognized that the Board of Education has the sole and exclusive prerogative to eliminate professional staff positions, consistent with the provisions of the State Statute, providing such elimination does not result in a failure in its duty as a state agency to implement the educational interests of the State and to provide good public elementary and secondary schools. Elimination of professional staff positions may result from increases in student enrollment, changes in curriculum, severe financial conditions, or other circumstances as determined by the Board.

27.2 **Definitions**

- 27.2.1 As used herein, the term "days" shall mean calendar days.

27.3 **Procedure**

- 27.3.1 The Board may, in the first instance, exercise its right and power to reduce the number of staff positions without determining which teacher contracts will be terminated, if any, or what other staffing changes will be made to effectuate the purpose of position elimination.

- 27.3.2 Prior to commencing action to terminate teacher contracts under this procedure, the Board will give due consideration to its ability to effectuate position eliminations and/or reduction in staff by:

- (1) voluntary retirements;
- (2) voluntary resignation;
- (3) transfer of existing staff members;
- (4) voluntary leaves of absence.

- 27.3.3 In the event that it appears necessary to terminate teacher contracts in order to effectuate the elimination of professional staff positions, the Superintendent will

propose to the Board, for its consideration, an orderly plan for elimination of positions, identifying professional personnel whose contracts he/she recommends for termination. If the Board considers termination of the contract of a teacher, it shall authorize the Superintendent to notify the teacher, in writing, that termination of his/her contract is under consideration or, where appropriate, that his/her contract will not be renewed for the coming school year. Such notification, and any subsequent proceedings with regard to contract termination, will be in accordance with the provisions set forth in the Connecticut Fair Dismissal Law (§10-151 of the Connecticut General Statutes).

27.3.4 The following criteria will be used to select those employees whose contracts are to be considered for termination as a consequence of elimination of professional staff position:

- (1) **Tenure Status:** If a teacher has attained tenure status, his/her contract of employment may be terminated if his/her position is eliminated, but only if there is no other position available in the school system for which the teacher is certified and qualified. Therefore, teachers who have acquired tenure will have first preference for retention in positions for which they are certified and qualified. This shall include first preference and with regard to positions that are held by non-tenure teachers, in addition to positions which are open and available.
- (2) **Other Criteria:** Within the separate categories of tenure teachers and non-tenure teachers, the following criteria will be applied sequentially:
  - (a) areas of certification
  - (b) in schools where there exists departments, the position eliminated in the department shall be deemed to be the position of the most junior member of the department;
  - (c) total years of experience in the Thomaston School System;
  - (d) in the event total years experience in the Thomaston School System is equal, total years of teaching experience shall be considered;
  - (e) In the event that the application of the criteria (a)(b)(c)(d) is not sufficient to determine which teacher's contract will be subject to termination, the date of contract signing will be the determining factor.

27.4 **Policy Provisions Not Applicable to Promotions**

27.4.1 Nothing herein shall require the promotion of a teacher to a position of higher rank, authority, or compensation although the teacher whose contract is to be terminated

because of elimination of position is qualified and/or certified for the promotional position.

27.5 **Recall Procedure**

27.5.1 If the contract of employment of a teacher is terminated because of elimination of positions, the name of that teacher shall remain on such recall list for a period of two (2) years unless such teacher obtains employment as a public school teacher in another district during that period. Teachers on the recall list shall be recalled in inverse order of dismissal. Notice of recall shall be at least thirty (30) days prior to the anticipated date of reemployment. The teacher shall accept or reject the appointment in writing within ten (10) days. If the appointment is accepted, the teacher shall receive a written contract within twenty (20) days of receipt of the teacher's reply by the Board. If the teacher rejects the appointment offer, or does not respond accordingly to this procedure within the ten (10) days, then the name of the teacher will be removed from the recall list. Upon reemployment in a permanent position the teacher shall be given full credit on the salary schedule for all previous teaching experience credit. Teachers who accept long-term substitute positions shall be placed on the first step of the Bachelor's column. Such teachers shall remain on the recall list at their appropriate ranking for recall to any permanent position for which they are certified.

27.5.2 The Administration shall publish the recall list prior the March 1<sup>st</sup> of each year.

28.4.2 **Deduction**

28.4.2.1 The Board agrees to deduct from each teacher an amount equal to the Association membership dues or service fee by means of payroll deductions. 28.4.5 **Lists**

28.4.5.1 No later than the first paycheck in October of each school year, the Board shall provide the T.E.A. with a list of all employees of the Board and the positions held by said employees. The Board shall notify the T.E.A. monthly of any changes in said list.

28.4.6 **Reference to Association**

28.4.6.1 The singular reference to the "Association" herein shall be interpreted as referring to the Thomaston Education Association, the Connecticut Education Association, and the National Education Association.

28.5 The Association agrees to indemnify and save the Board harmless from any claim or lawsuit arising from the Board's fulfillment of its obligations under Section 30.4.1. The Board agrees that the Association shall assume the exclusive legal defense of any such claim or lawsuit. In assuming such defense on the Board's behalf the Association will hire and compensate legal counsel. Legal counsel hired by the Association shall confer with the Board or its representatives concerning the defense of claims and lawsuits against the Board. The Association shall have the right to compromise or settle any claim or lawsuit against the Board under this section.

28.5.1 The Association agrees that it will not rely on Stamford Board of Education v. Stamford Education Association, et al, 697 F. 2D 70 (1982), or any claim based thereon, to deny the enforceability of its obligation to indemnify and save the Board harmless.

The Thomaston Board of Education shall implement and maintain a Section 125 pre-tax wage deduction plan in accordance with applicable provisions of Section 125 of the Internal Revenue code (and in accordance with any amendments to said provisions) so long as said provisions allow for such a plan. Said plan will be designed to permit exclusion

from taxable income of the employee's share of health insurance premiums, allowable medical expenses and dependent care pursuant to IRS regulations for those employees who complete and sign the appropriate wage deduction form. The Thomaston Board of Education shall incur no obligation to engage in any form of impact bargaining in the event that a change in law reduces or eliminates the tax-exempt status of the employee insurance premium contributions, allowable medical expenses and dependent care. Neither the Association nor any employee covered by this agreement shall make any claim or demands nor maintain any action against the school district or any of its members or agents for taxes, penalties, interests or other costs or loss arising from the use of the wage deduction form or from a change in law that may reduce or eliminate the employee tax benefits to be derived from this plan. Rather, the parties agree that the health insurance benefits and the administration of those benefits shall continue to be governed by the collective bargaining agreement and the carriers' insurance plan.

Enrollees in the HDHP shall have a Health Savings Account (HSA) to defray deductible expenses.

The Board agrees to contribute fifty percent (50%) of the deductible in each year of the contract. The Board's contribution toward the deductible shall be deposited in the HSA bank account of the employee in the first paycheck of the then current school year in each contract year.

The employee's contribution toward the deductible shall either be, at the employee's option, via payroll deduction or contributed directly by the employee in his/her HSA bank account.

A HSA is not health insurance, it is a bank account. The parties acknowledge that the Board's contribution toward funding the deductible is not an element of the underlying plan, but rather relates to the manner in which the deductible shall be funded for active employees.

- 32.1.2 The Board provides a \$40,000 Life Insurance policy with \$40,000 of Accidental

Death and Dismemberment.

- 32.1.3 The T.E.A. shall maintain the opportunity to add any riders that a majority of its members agree upon. The premium of any riders that are added shall be borne by participants.

- 32.1.6 The Board may change or substitute insurance carriers or managed care organizations for the above-referenced health benefit program as long as the level of benefits are substantially equivalent to or better than the existing program. The “substantially equivalent to or better than” standard shall be applied on program-wide analysis, including the network, and shall not be benefit specific.
- 32.1.7 Prior to any change in carrier, the proposed change shall be discussed with the T.E.A. Any dispute as to the contention that coverage is not equal may be referred to the grievance procedure. The grievance will be submitted directly to the American Arbitration Association. Such submission must be filed within twenty (20) calendar days from the meeting where the issue was discussed with the T.E.A. The Board will not change to the new insurance carrier until the arbitrator’s decision has been issued in writing. If no grievance is submitted within the twenty (20) day period, the Board may implement the change of carrier.
- 32.2 Teachers are given the opportunity, via the flexible benefit form, to voluntarily waive one or all of the health and/or dental coverages which are extended to them. Any teacher electing this option will be reimbursed \$1,500 (single), \$3,000 (single plus one) or \$4,000 (family). Should a life style change occur resulting in a teacher’s desire to reinstate his/her coverage, then said teacher should notify the Superintendent in writing of that decision. They will then be allowed to participate in the insurance program at the earliest date permitted under the rules and regulations of ConnectiCare at the commencement of the next quarter following such request. The teacher shall reimburse the Board the prorata share of the reimbursement he/she received.
- 32.4 Insurance benefits for teachers shall commence on the teacher’s first day of work as a teacher for the Thomaston Board of Education.

**TITLE IX BOARD POLICY**

Non-discrimination on the Basis of Sex in Education Programs and Activities

A. General. Title IX of the Education Amendments of 1972 declares, in part, that:

No person in the United States shall on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.

The Board of Education is of the general view that discrimination on the basis of sex in any education program or activity of this district is not to be permitted except where necessary to accomplish a specific purpose that does not impinge upon essential equality of fundamental fairness in the treatment of students or employees of this district. Accordingly, employees of this district are required by this policy to comply with the provisions of:

1. this policy as in the case of any rule or regulation adopted by the board of education of this district; and,
2. Title IX of the Education Amendments of 1972 and the regulations promulgated there under by the U.S. Department of Health, Education, and Welfare, as Part 86, Title 45, U.S. Code, printed also in U.S. Federal Register, Vol. 40, No. 108, Wednesday, June 4, 1975, as amended, as Title IX and as such regulations are applicable to this district.

B. Application to Specific Education Programs and Activities. This policy's prohibition against action by employees or other persons acting in the name and on the behalf of this district which bases any exclusion from participation in, denial of benefits from, or discrimination in, any educational program or activity because of the sex of a student or employee, applies to all education programs and activities conducted by this district, including, but not limited to, the following:

1. Educational Programs
  - a. Course Offerings. Applies to all course offerings, except that with respect to physical education classes and activities at the elementary and secondary school levels, compliance shall be attained as expeditiously as possible but in no event later than July 21, 1976 at the elementary school level and July 21, 1978 at the secondary school level. This policy's prohibition does not prohibit:

1. groupings of students in physical education classes and activities by ability as assessed by objective standards of individual performance developed and applied without regard to sex;
  2. separation of students by sex within physical education classes or activities during participation in wrestling, field hockey, football, basketball, and other bodily contact sport;
  3. separation of students by sex in classes dealing exclusively with human sexuality; and,
  4. separation of persons based on vocal range or quality even though such separation may result in chorus or choruses of one or predominately one sex.
- b. Athletics. Applies to all athletic programs or activities except that separate teams for members of each sex may be operated:
1. when the sport involved is a contact sport; or
  2. where selection for the separate teams is based upon competitive skill, provided that where there is not now and has been no such team for the excluded sex, members of the excluded sex must be allowed to try-out for the team unless the sport involved is a contact sport, as defined in 1.a.2. of this policy above.

Moreover, equal athletic opportunity shall be provided for members of both sexes, including equal provision for equipment, supplies, coaching, facilities, services and publicity, except that unequal aggregate expenditure of funds for members of each sex or male and female teams will not in and of itself constitute a violation of this policy.

Full compliance with this shall be attained as expeditiously as possible but in no event later than July 21, 1976, at the elementary school level and July 21, 1978 at the secondary school level.

- c. Counseling. Applies to all counseling and guidance activities at the elementary and secondary school levels.
  - d. Textbooks. Nothing in this policy shall be interpreted as requiring or prohibiting or abridging in any way the use of particular textbooks or curriculum materials.
2. Other Activities or Facilities.
- a. Financial Assistance. Applies to offering scholarship or other aid or assisting non-school organizations in the offerings of scholarships or other aid to students of this district.

- b. **Employment Assistance.** Applies to all efforts to place students in employment. The district shall, as part of any employment assistance program for students, ensure that all employment opportunities are made available without discrimination on the basis of sex and refuse participation in its student employment program to employers who would practice such discrimination.
- c. **Health and Insurance.** Applies to all health or insurance policies offered to students but does not prohibit providing benefits or services which may be used by different proportion of students of one sex than of the other, including family planning. If full coverage is provided, such coverage must include gynecological care.
- d. **Housing.** Nothing in this policy shall be interpreted as prohibiting the separation of students by sex in housing for field trips or other reasons. Such separate housing must be comparable in quality and availability.
- e. **Toilet, Locker, and Shower Facilities.** Separate toilet, locker, and shower facilities may be provided on the basis of sex. Such facilities shall be comparable to similar facilities provided for students of the other sex.

No rule on marital, family, or parental status that treats one sex different from the other sex shall be applied or enforced.

- 3. **District Employment Activities.** Applies to all aspects of the district's employment program, including, but not limited to, recruitment, advertising, process of application for employment, promotion, granting of tenure, termination, layoffs, wages, job assignments, leaves of absence of all types, fringe benefits, training programs, employer-sponsored programs, including social or recreational programs, and any other term, condition or privilege of employment. Specifically, the following personnel employment practices are prohibited:
  - a. **Tests.** Administration of any test or other criterion which has a disproportionately adverse affect on persons on the basis of sex unless it is a valid predictor of job success and alternative tests or criterion are unavailable;
  - b. **Recruitment.** Recruitment of employees from entities which furnish as applicants only or predominately members of one sex, if such action has, the effect of discriminating on the basis of sex;
  - c. **Compensation.** Establishment of rates of pay on the basis of sex;
  - d. **Job Classification.** Classification of jobs as being for males or females;
  - e. **Fringe Benefits.** Provision for fringe benefits on basis of sex; all fringe benefit plans must treat males and females equally;

- f. Marital and Parental Status. Any action based on marital or parental status; pregnancies are considered temporary disabilities for all job related purposes and shall be accorded the same treatment by the district as are all other temporary disabilities. No inquiry shall be made by the district in job applications as to the marriage status of an applicant, including whether such applicant is "Miss or Mrs.". But, inquiry may be made as the sex of a job applicant for employment if made of all applicants and is not a basis for discrimination.
  - g. Employment Advertising. Any expression of preference, limitation, or specification based on sex is a bona fide occupational qualification for the particular job in question.
- C. Policy Enforcement. Board of Education has appointed the Superintendent of Schools Title IX Coordinator.
- 1. To ensure compliance with this policy, the Coordinator shall:
    - a. coordinate efforts of the district to comply with this policy;
    - b. develop, and ensure the maintenance of a filing system to keep records required under this policy;
    - c. investigate any complaints of violations of the policy;
    - d. administer the grievance procedure established in this policy; and
    - e. develop affirmative action programs, as appropriated; and
  - 2. The Coordinators shall provide for the publication of this policy on an ongoing basis to students, parents, employees, prospective employees, and district employee unions or organizations, such publication to include the name, office address and phone number of the compliance administrator designated pursuant to this policy in paragraph C. 1., above.
- D. Grievance Procedure. Any student or employee of this district who believes he or she has been discriminated against, denied a benefit, or excluded from participation, in any district education program or activity, on the basis of sex in violation of this policy, may file a written complaint with the compliance administrator designated in paragraph C. 1., of this policy above.

## **TITLE IX GRIEVANCE PROCEDURE**

### **Grievance Procedure**

#### **Informal Procedures**

If a person feels that he or she may have a grievance, he or she shall first discuss the matter at a mutually agreed time and place with the Title IX Coordinator in an effort to resolve the problem.

If the person is not satisfied with such disposition of the matter, she or he shall have the right to file a grievance in writing.

#### **Formal Procedures**

If a person is not satisfied with the outcome of informal procedures, she or he may present his or her claim as a written grievance to the Title IX Coordinator. Within three (3) days, the Title IX Coordinator shall discuss this grievance with the Superintendent.

The Title IX Coordinator shall, within five (5) days after receipt of the written grievance, render a decision and reasons therefore in writing to the aggrieved person, with the copy signed by the superintendent.

If the aggrieved person is not satisfied with the disposition of his or her grievance he or she may, within three (3) days after the decision, file his or her written grievance with the Title IX Coordinator for referral to the Board of Education.

The Board of Education shall, within ten (10) days after receipt of the referral, meet with the aggrieved person and the Title IX Coordinator for the purpose of resolving the grievance. Grievance records of such hearings shall be kept by the Superintendent and made available to the parties in interest upon written request. The Board of Education shall, within five (5) days after the hearing, render their decision and the reasons therefore in writing to the aggrieved person, with a copy to the Title IX Coordinator.

If the aggrieved person is not satisfied with the disposition of his/her grievance, he or she may, within three (3) days after the decision, or within six (6) days after the board meeting, request in writing to the Board of Education that his or her grievance be submitted to arbitration.

The Chairperson of the Board and the person filing the grievance shall, within five (5) days after such written notice, jointly select a single arbitrator who is an impartial person to hear said grievance. If the parties are unable to agree upon an arbitrator within five (5) days, the American Arbitration Association shall immediately be called upon to select the single arbitrator. The arbitrator selected shall confer promptly with representatives of the Board and the aggrieved person. The arbitrator shall review the record of prior hearings, and shall hold hearings with the aggrieved person and other parties in interest as he or she shall deem requisite.

The arbitrator shall render his or her decision in writing to all parties in interest, setting forth his or findings of fact, reasoning, and conclusions on the issues submitted and this decision shall be binding.

The costs of the services of the arbitrator shall be borne equally by the Board and the aggrieved person. The T.E.A. will pay the cost for its members.

Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits which permit the aggrieved person to proceed to the next step and failure at any step of this procedure to appeal a grievance within the specified time limits to the next step shall be deemed to be acceptance of the decision rendered at that step.

Days in this grievance procedure are defined as days schools are in session.
